## EMERGENCY RESPONSE TEAM

Live as of June 1, 2020

If you would like to access Couple & Family Therapy through the ERT please go to [www.camft.ca](http://www.camft.ca) to complete the registration form. Once we have your information one of our ERT members will contact you.

Our focus will be on helping Canadian couples and families during times of national, local or family crisis. We are offering three CFT sessions for free and if you wish to continue, we have a sliding fee scale to ensure affordability.

Our current focus is on couples and families who have been highly impacted by the COVID19 pandemic. This includes those whose jobs put them at risk for infection as well as those that medically are at high risk just by being exposed to people.

Thank you everyone who has volunteered to be a part of this team. The ERT's mission is to provide Brief Couples & Family Therapy to those who do not have the financial means to access experts in Couple & Family Therapy.
